No Experience Necessary

6 week Summer Programs

The Math Academy includes 3 institutes; The Pre-Algebra Institute, Algebra Institute and Geometry Institute- 8:00 a.m.-12:00 p.m. M.A. is a **FREE** college focused, six week, intensive but fun four hour a day/five days a week course that is designed to improve the students skills and attitude toward math. Each division of the Math Academy is facilitated by certified math instructors. M.A. is designed for Middle School and High School students who are having difficulties in math or are preparing to take one of the math subjects in Fall 2008.

The program also includes a college preparation component that consists of campus visits and exposure to math-based careers and opportunities in higher education.

The Summer Mentor/Teacher Internship Program- 7:00 a.m.-12:00 p.m. This is a hands-on program that is instrumental in introducing teens grades 10-12 to the world of mentoring and teaching. The program was developed to support teens whose career goals include working with children.

All programs are subject to an application evaluation process. Applications can be acquired through the ACE office.

There is a registration fee for GSA and the Math Academy .

The Academic Center of Excellence

2008-2009

Every child can go to college
Let us show you how!

Academic Center of Excellence is a presentation of The University of California, Glory Christian Fellowship International & Bridges Economic Development Corporation

Mission Statement

Our mission is to bridge the academic gap in all communities within the greater Los Angeles area. This community organization is committed to give all youth access to excellent and high quality supplemental educational programs. We strive to create a level playing field through educational resources and support so that every student has an opportunity to maximize his/her full academic potential.

WHEN WE MEET...

Our workshop hours are Tuesdays 6:00 p.m. to 8:00p.m. Our days of operation are based on a traditional school year calendar. We are closed for school holidays. A light dinner is served at all workshop sessions.

Tutoring (1st-12th grade) is Monday through Thursday from 3:30pm to 6:00pm.

Community Programs and Parenting Seminars take place as scheduled.

Please call the ACE office for details.
